

HOSPITALITY

Kapiti Club

Having occupied facilities developed in an adhoc fashion over some 40 years, the Kapiti Club embarked on an overdue makeover.

Refurbishment amplifies stunning coastal views and delivers a modern retro interior décor. All club facilities have been completely upgraded and include a new entry, reception and lift.

Warm and vibrant hues compliment natural finishes. Spaces are re-organised to achieve efficiency and function in support of all club activities. The Club is now a much sort after destination for members and their guests to enjoy the delights of Kapiti Coast hospitality.
